

1	Name	
	Property Name	
	Postal Address	

Lot and DP numbers	
--------------------	--

2 3 4 5 6	Phone	
	Email	
	Enterprise type/s	
	Other farm enterprises	
	Size of property	

7	Description of topography, elevation, climate and rainfall	

Please provide detailed responses to the following questions to increase your chances of selection.

SELECTION CRITERIA 1 – Demonstrated implementation of regenerative and sustainable management practices

8	When did you begin making changes to the way you manage your property?	
9	What practice changes have you put in place so far? <i>For example: soil, water, hydrology, vegetation, pasture, stock or crop, weed and pest management, inputs, monitoring strategies etc.</i>	
10	Why did you select these particular practice changes?	
11	What were your initial goals for the practice changes? Did these change over time?	

Please see over >

SELECTION CRITERIA 2 – Evidence of landscape regeneration and improvements in ecological processes

12

What outcomes have you observed so far, following the practice changes on your property?

• Biodiversity (*animals, insects & other*)

• Vegetation

• Crop/pasture

• Water cycle/hydrology

• Soil health

• Livestock health

• Productivity

13

Do you have any supporting data & information?
Please attach documents

SELECTION CRITERIA 3 – Commitment to regenerative agriculture

14

What first prompted you to begin working towards regenerative agriculture?

15

What are the biggest lessons you have learned from pursuing regenerative agriculture so far?

16

Why are you applying to become a Soils For Life Case Study Farmer?

17

Are you able and willing to host a field day at our cost? Yes No

18

Are you willing to contribute to Soils For Life education activities?
For example: participating in field days through speaking or small group activities, contributions to written materials developed by Soils For Life or sharing ideas through social media.

Yes No

19

Please provide additional information that may assist us in assessing your property.

Please fill in as much information as you can and email the completed document to admin@soilsforlife.org.au. Our selection panel will take a look and be in contact.
